

PROFILE

UX/UI Designer with over 1.5 years of experience specializing in User Interface (UI) design. Proven track record in creating visually consistent, modern, and user-friendly interfaces for web and mobile applications. Passionate about delivering polished design solutions while applying UX principles to enhance usability and overall user experience.

WORK EXPERIENCE

UX/UI Designer Full-time 2024 – Present

- Design and develop user interfaces for web and mobile applications by creating wireframes, high-fidelity UI, and interactive prototypes.
- Ensure visual consistency through design systems and UI standards.
- Collaborate with developers and stakeholders to deliver user-centered solutions.

Freelance UX/UI Designer & Graphic Designer

Designed websites and digital products for various clients, creating UI layouts, visual assets, and branding materials while delivering modern, responsive, and visually consistent interface designs.

PROJECT EXPERIENCE

Design Website GoPhinAI (In Process) 2026

Developed a modern, clean interface for an AI chatbot business, emphasizing a technology-focused visual style. Implemented clear visual hierarchy and intuitive navigation to enhance responsive usability.

Design Website BOROT (In Process)

Executed end-to-end UX/UI design for an e-learning platform, focusing on a seamless course purchasing flow. The platform supports online, onsite, and hybrid learning formats.

Rubber Dryer System

Architected a web application interface for controlling and monitoring industrial rubber drying facilities, prioritizing data visualization and system efficiency. *(1 months)*

E-commerce Website Design 2025

Designed a complete e-commerce user interface, including product pages, checkout flow, and responsive layouts to ensure a seamless and user-friendly experience across different devices. *(2 months)*

Student Activity Attendance Feature

Designed a student attendance tracking feature for a teacher application. Focused on creating a simple, intuitive, and visually comfortable interface to ensure efficient and easy usage. *(2 weeks)*

Redesigned KFC Mobile Application 2024

Revamped the KFC mobile app UI to improve usability and user flow, resulting in a more intuitive and visually consistent experience. *(2 months)*
